**Re: In the Matter of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I need fiber and competition. Don't let big corporate interests like att drive unfair playing fields.

For so long we have been captives to Comcast and att, finally there is an alternative. Please don't take that away

We need choice. We need a level playing field and we need no internet throttling. It's unamerican to throttle fire fighters when they are risking their lives. This is the result of corporate interests usurping public interest. It is costing lives
